MEMORANDUM FOR: Honorable Richard N. Perle
Assistant Secretary for
International Security Policy
Department of Defense

SUBJECT : Team B Reports

1. Your interest in the competitive analysis experiment was relayed to me by Mr. Whitt.

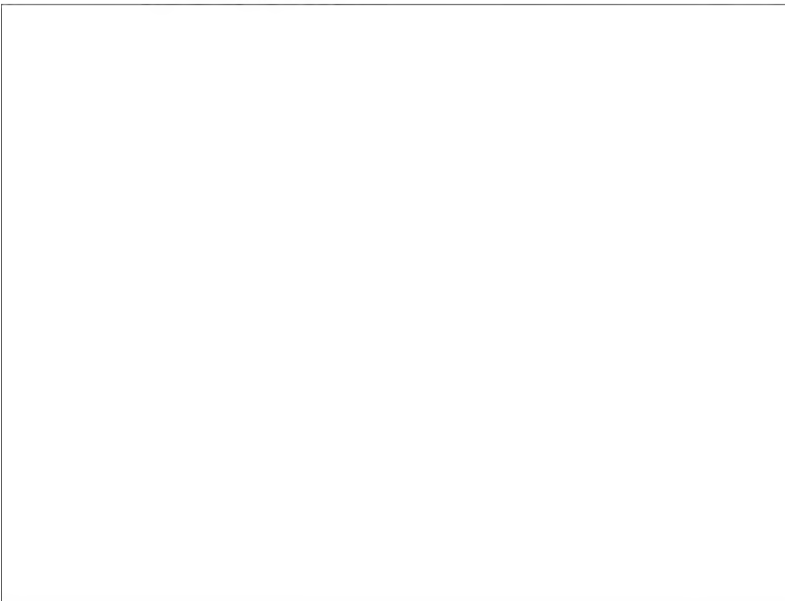

2. There has been a great deal of misunderstanding and misrepresentation about the origins, results, and implications of the experiment and the reports of Team B. I have, therefore, attached a copy of the memorandum provided to Secretary Weinberger that puts the reports in perspective.

3. These are file copies and I would appreciate their return in about thirty days.

H. F. Hutchinson, Jr.
Vice Chairman
